We are hobby gamers and professional cabinet makers.

Our new line of board gaming tables aims at changing forever the way you experience games.

Our models Ares, Hermes, Zeus, Electra, Prometheus, Artemis, Athena and Persephone are hand-crafted in our woodwork workshop, where we have been creating bespoke furniture for more than 30 years.

These top-quality and highly customisable tables are designed to provide not only the best gaming experience but also to serve as the perfect family dining table.

An extremely practical  
and comfortable table

You will be able to use  
it for celebratory dinners  
and to play your  
favourite board games,  
miniature games and  
wargames

Save your games and  
continue playing later

*Perfect for tabletop role-playing games*

Paying attention to detail  
and ensuring the best  
finish
